

AFSM Website New Design

Dear members,

We are happy to inform you that recently there were significant changes in the design and functioning of our AFSM

Website <https://www.afsmpaho.com>

In particular, during the past few months:

- In order to facilitate the convenience of the Website, a system of menus was introduced instead of existing linking buttons, the menus and sub-menus appear now on all pages,
- As is standard procedure for Websites, the Search Box is in the top right corner of every page,
- A banner at the top of the Home Page was re-modelled, thereby increasing the space for AFSM information.

The plans for future months of 2021 include:

- Make the Website look and feel consistent across all pages,
- Make the Website responsive across multiple technologies such as devices, tablets, smart phones, etc.,
- Re-model the columns on every page to make them consistent across the Website.

The Board will appreciate your comments and suggestions. These will help

Stan, the Webmaster, to prepare, discuss and implement other changes.

Warm regards and many thanks,

AFSM Board
